5	<p>The purpose of the operation and its expected or actual achievements*</p> <p><i>Please consider introducing the following:</i></p> <ul style="list-style-type: none"> • <i>Description of the challenge the project is addressing and relevant context, including elements that make the project strategically important;</i> • <i>Project objectives, purpose and expected achievements, including result and output indicators and the significant contribution the operation is providing to the achievement of programme objectives;</i> • <i>Project activities;</i> • <i>Target groups, stakeholders, end users and other citizens who will benefit from the project.</i> <p>The project addresses the challenge of social exclusion and vulnerability in Castilla-La Mancha by providing social services to individuals, families and groups at risk. It seeks to promote autonomy, inclusion and social integration through specific actions such as prevention and comprehensive care in the face of social exclusion, temporary housing in cases of emergency, and residential care for those who lack adequate housing or support.</p> <p>The objectives of the project are to provide comprehensive care to people in situations of social exclusion, promote their integration and autonomy, and guarantee access to the resources necessary for their welfare, favouring the social and labour inclusion of the most vulnerable groups.</p> <p>It is expected to achieve greater effectiveness and efficiency in the management of social inclusion in the region, increasing the number of projects and services offered. Performance indicators include the number of people served, the improvement in their quality of life, and the degree of participation in integration programs.</p> <p>The project's activities cover various intervention modalities, such as social inclusion processes with communities in vulnerable situations, addressing situations of social exclusion through specific assistance mechanisms, actions aimed at training and innovation in social intervention, and the development of studies and research on social inclusion. The activities will be developed within the framework of an</p>
